

Agreement on Private Practical Traineeship

at our Premises

at Casa da Baía da Nau

- *The practical training will take place in in the period from to*
- *Remuneration will not be provided for the practical training.*
- *Trainees participate in and undertake their journey to participate in the practical training at their own risk.*
- *We herewith expressly advise trainees to acquaint themselves with any risks and dangers which may be particular to the country in which the training will take place and any pertinent medical advice for travellers and precautionary measures to be undertaken in this respect. The provider of the practical training is herewith released from any liability. Trainees are urged to ensure that they have appropriate insurance cover in relation to health, personal liability and accident insurance.*

As the practical training is of a purely private nature, the provider of the training will not provide any insurance protection for the duration of the entire stay.

- *The trainee has been informed in advance with regard to measures undertaken to prevent the occurrence of accidents.*
